Date: March 10, 2011
To: ALL CHAPTERS
From: Dwayne M. Murray, Grand Polemarch
SUBJECT: CENTENNIAL MOIP PROGRAM

Brothers,

I trust that you continue to enjoy the year-long celebration of our Centennial. I was so proud to stand on the campus of Indiana University, our birthplace, on January 5, 2011 to ring in the Second Century of Kappa. I was equally proud to see over 1300 Brothers gather for our Centennial Founders' Day Celebration in Philadelphia on January 8, 2011.

As we prepare for Indianapolis in July, I wanted to remind you of the special Membership Orientation and Intake Program we are planning. On Tuesday, July 5th, we are anticipating 100 individuals to participate in the historic journey of being initiated into Kappa Alpha Psi in Indianapolis.

There have been many questions regarding the process and hopefully, this memorandum will clear up some of them. The details regarding fees, etc. are enclosed. Brother John F. Burrell, National Chairman, and his team are preparing an outstanding program and ceremony. If you wish to recommend someone to participate in the special MOIP, you must contact your Province Polemarch right away. Candidates must begin to plan their transportation to Indianapolis and may need to request time off from their occupations. Housing will be reserved for all candidates; however, they will be responsible for lodging. The final decision on who will be included from each Province will be the responsibility of your Province Leadership.

We are excited about this historic event and trust you will be motivated to bring into Kappa the best from our college campuses and communities. If you have specific questions, please feel free to contact Brother John Burrell directly at: johnburrell5@comcast.net. I look forward to seeing you in Indianapolis. OneKAPPA!

Province Polemarchs will make the final decision on how the centennial candidates will be identified. For example:

- The Province Polemarch will solicit from all chapters to start identifying individuals that are some of the most brightest, athletic, and political that would be worthy of membership or
- The Province Polemarch could solicit the oldest alumni and undergraduate chapters to represent the Province during this historic occasion or
- The Province Polemarch could re-instate a chapter with new members during the centennial initiation or any other way deemed necessary.
